Bremen Classic Motor Show – 3rd, 4th, 5th February 2012
Order your reduced price entry ticket coupons now!

Dear Mr Schouten,

In the coming year the Bremen Classic Motorshow celebrates its 10th Anniversary, and once again promises spectacular Highlights to celebrate the opening of the Classic Season!

Originality – a single word that says everything over the special theme for the 10th Bremen Classic Motorshow. We are proud to present ten carefully chosen examples from the Musée National de l'Automobile in Mulhouse. In regular use in the 1920s and 1930s, and for many years stored away and painstakingly kept in their original condition, these time warp original and unrestored cars from the secret reserves of the Schlumpf Collection have never been unveiled to the public before.

In the Motorbike section a special display of original, unrestored and very rare machines, such as a Victoria Bergmeister or a Württembergia awaits the avid enthusiast.

Once again the Bremen Classic Motorshow – the meeting point for enthusiasts and lovers of all that's classic – sets out to provide a balanced mixture of Trade Stands, Services, Autojumble, Club Stands, private car sales and special events.

Clubs are the absolute lifeblood of the classic scene, and, as in every year, we offer them the chance to order reduced price entry ticket coupons for their members. Order the required number of coupons for your club now. With the enclosed form you can also order stickers and posters – these come naturally free of charge.
